

Thanks to many generous benefactors, scholarships are available to any family attending Valle Catholic Schools. Scholarship forms must be completed to be considered. The submission deadline for the 2024-15 school year is April 30, 2024. Awards will be emailed in May.

We strongly encourage families to apply for TTEF through the St. Louis Archdiocese and Partners and Sponsors through the Ste. Genevieve Parish. Merit-based scholarship funds can be used along with TTEF, Beyond Sunday, or Partners and Sponsors awards.

Each student may apply for up to two merit-based scholarships. Please submit ONE application for each child in your family. This includes students who are registered for the 2024-25 school year and will be in grades K-12, with the exception of grade 9*.

**A Valle Catholic Foundation full-tuition grant is available to each incoming student enrolled in the freshmen class. Please contact admissions@valleschools.org for more information.*

Scholarship awards are determined by a scholarship committee. Awards range from \$100-\$1000, depending on the number of applications received.

Innovative Learners
