Warrior Pride

- Valle Catholic families celebrated the **Feast of St. Francis of Assisi** with our own pet blessing on the desert on Wednesday. First grade organized an animal shelter food/pet care drive to show their grade level virtue of **compassion**.
- After reading and LOVING Robert Munsch's Purple, Green and Yellow, **kindergarten** students under the direction of **Mrs. Wood** and **Mrs. Klein** read the entire collection of Robert Munsch stories in Munschworks. Robert Munsch is an author who writes funny stories and makes reading fun. Children voted on their favorite story and even told a detailed summary. **Oliver G.** brought in his own Collection of Disney stories to share with the class. **Norah D.** went home and asked if she had a collection of stories to bring too. This is learning driven by **student interest** at its best!
- **Char D.**, in 6th grade, noticed a problem with the flow of O.V. students in the cafeteria. He used some ELA time to draw a diagram of a new lunch line flow for each class in O.V. for each day of the week. Then he wrote a persuasive letter to all teachers in O.V. to give his proposal a try. He's now transferring his diagram to a google doc to share with the members in O.V. He hopes to create a more equitable system for the middle school lunch line. **Camryn S.**, a 6th grade Stu-Co rep, plans to share his proposal at their next meeting. Way to be an innovative, **real-world problem solver**, Char!
