*What's Happening at Valle Grade School?*

DECEMBER 15, 2017

## Warrior Pride

- A huge SHOUT OUT to our **kindergarten students**, under the direction of **Mrs. Wood** and **Mrs. Klein**, for their beautiful reminder of what this season is truly about. We loved your Christmas play!
- Our **band** put on a wonderful and festive show this week at our Christmas concert. Special thanks to **Mr. Verges** who works so hard with our students.
- Thanks to Miss Jamie who organized our **Holiday School Store**, and to the teachers and parents who covered a shift. A lot of students bought special gifts for family members.
- Mrs. Caba shared the history of **Our Lady of Guadalupe** with 1st and 2nd grades on her feast day on December 12. She showed a video that she took when she visited the Basilica in Mexico City, Mexico. **Logan W.** told his parents he wants to travel to Tepeyac Hill. Thanks for making our faith come alive for our students, Mrs. Caba!
- **Advent Angels** and **Santa's elves** have returned to primary classrooms at Valle Catholic Grade School to ensure our students are preparing their hearts for **Jesus' birth**.
- Our **8th grade** students were the **choir** at our GS Mass this week. They are taught by **Mr. McLauren** and were led at Mass by **Mrs. Weiler**. We are proud of you!

## Important Reminders

- There will be no **Valle View** next week.
- There are many clothing and toy items in our **Lost and Found**. So many that after the first of the year we will take a batch to Goodwill and clear the Lost and Found for second semester. Please stop by outside the GS office on December 21 (party day) and take a peek. If an item belongs to your child, please take it. A gentle reminder to label **everything**.

## Did You Know?

Valle Catholic Schools can receive money through the new **Coke Rewards Program**. It's easy to redeem codes from home and earn money for our school. Thanks to **Elizabeth W.** for the attached information. At the end of November, we received a check for \$39.00 just for submitting the codes on caps and boxes. Thanks for your help!
