What's Happening at Valle Grade School?

MARCH 10, 2017

Warrior Pride

- We received the following text message in response to many Warriors assisting with the tornado relief in Perryville last Saturday. I believe this is a true testament of who we are at Valle Catholic and is too good not to

share:
[redacted], I just wanted to let you know that the group from Valle, was the talk of the camp fire Saturday night as we all sat by the big fire in [redacted]'s fields. Everyone was impressed with the kids work ethic and how they just jumped in and got things done. Everyone was very impressed that all the fields were free of debris by about 12 when your crew left. One commented how they never seen any kids on their phones all day. Little [redacted] was out there Saturday night and he said, "now we all know why they are successful at Valle" because [redacted] had a group of kids helping him Friday at his place and he said they didn't do near the work the Valle crew did. [redacted] was very appreciative and said he knows who to call 1st if he or someone

he knows is ever in a situation like this again. Tell them all thanks, and thank the parents and coaches as well. As we know, kids these days are only as good as their leaders. Thanks again, and I never thought I'd say this, but "GO VALLE"
