Warrior Pride

- Congratulations to all our 2nd Graders that made their First Communion last Saturday. Also Congratulations to all our 8th graders that were confirmed on Tuesday evening, May 7th. This is what our school is all about! We help children in their spiritual journey to heaven by bringing them closer to God through the Sacraments. I am so proud of our students!
- Today is Field Day. We began with a Mass at 8:00 to honor our Mothers and Mary, the Mother of the Church. Then we went to the Football Field/Field House for a day of fun, exercise, and good sportsmanship.
- Friday Folders will not go home today due to Field Day. Next week, we will send home important information for next year such as the calendar for 2019/2020.
- 15 Valle students will be participating in the Home-run Derby at Forest Park in St. Louis. We raised \$157 for Cardinal Glennon Hospital with our local homerun derby. Good luck to all our participants!
- The Transportation Fair on Monday night was a blast. There was such a wide variety of vehicles. I loved watching the little 2-3 year olds. They seemed to be on overload and kept pointing everywhere they turned. The high point for me was when the helicopter took off. It was so amazing. Thank you to Amy Drury and Jill Metzger for planning this fun event.

Safety Alert

- Parents check your child's cell phones. Students are downloading apps that allow them to send anonymous text messages. If texts are threatening or pornographic, this is a **BIG** problem. If a text says, "I am going to kill you." Take a screen shot and take the phone to the police.
- Talk to your child about the legal issues about making threats or using a cell phone in the wrong way. In this day and age, threats are taken seriously and should be reported. As a parent, you need to teach your child safe phone usage just like you taught them how to walk & talk. Yes, it is hard work being a parent and technology makes it harder.
