## Did You Know?

Scholastic's **Summer Reading Challenge** started this past Monday, May 8! It will run through September 8. We kicked off the Challenge with an assembly this week encouraging students to read over the summer and announcing the winners of the "Love Our Libraries" Coin Challenge. For every 100 minutes students read and log this summer, their name will be entered into a drawing for great prizes. Top prize for most minutes read is **Principal for the Day!**
