What's Happening at Valle Grade School?

Warrior Pride

- Shout out to **Nick Fallert** (class of '98) who updated our campus' building floor plans. They look great!
- Students in 5th grade are working on their Homecoming **shoobox floats**. Join us Monday, October 3 at 8 a.m. for their shoobox parade through New Valle.
- After studying real bridges, Mrs. Kertz's fifth grade science classes built their own. Using straws, yarn, and masking tape, students worked in small groups to design and build a **bridge structure** that could hold a boxcar filled with pennies. The real test was pulling the boxcar weighing 100 grams a distance of 12 inches across the bridge.
- Our **school improvement document** is finished! Thanks to our teachers who wrote the narratives, and the parents who joined us on committees. A special shout out to Mrs. Blair who helped revise and assemble the document and Miss Jamie who worked to pull all the last minute details together. Great teamwork!

Important Reminders

- Mr. Palmer is in need of yarn for his **art** classes. We appreciate any donations.
- Anyone wishing to volunteer must attend Protecting God's Children. This includes attendance at **field trips**. Check the link on the Home page of SchoolSpeak under "Safe Environment" for dates and locations.
- It's that time of year for sweatshirts and hoodies. Please put your child's **name** on the inside tag. Thank you!
