

AHOY-Great News!

We hit a record year for the Valle Auction!

\$113,500.45 Profit!!!

The Auction committee would like to thank everyone for all your time, talents and contributions, which resulted in this success.

This annual fundraiser is our largest event and the profits support the operations of Valle Schools allowing us to continue offering a quality Catholic education at an affordable price. It takes many hours of planning, efforts and your donations each year. Without all of us working together, this could not have been accomplished.

Again, a big congratulation and thank you to everyone for your support and may you all have a very blessed Easter.

2014 Valle Auction Committee
